Sustainability Info	×.	Before you install: This widget is created and maintained by Retur.
Certification area		It has been made available to you, as you are a member of P, tur. You can follow our guide below to install the widget on your own site.
Data collection	~	Please be aware of two things, when installing this winget:
		<ul> <li>This widget is maintained by {{groupName}}. This means that {{groupName}} can update</li> </ul>
		the content and visuals (such as the colors), while you have it on your site.
Settings	×	to manually specify the width and height below. We have added some default values that likely needs to be changed.
		How to install the widget:
		1. Specify the size the widget can take up on your website:
		Widh Height
		100% 400px
		2. Insert the following code snippet into your website's HTML code (ideally as far up on the page as is possible):
		<pre><script async="" src="https://widget.because.eco/widgets/v2/standard/because.widget.definition.min.js"></script></pre>
